INTRODUCTION

This is the official handbook of the Rochester Bible Institute, a Bible school that is focused on raising leaders to impact this world with the gospel. In this handbook you can find more information about the school, different courses, the vision and more. If you are considering attending RBI, let the vision and information in this handbook speak to your heart and stir a desire in you to follow the plan of God for your life!

VISION

Rochester Bible Institute is a school that will equip you to be the person that God has called you to be. By completing the courses in this school you will achieve three primary goals:

1. Build a firm foundation for your relationship with God.
2. Gain a comprehensive understanding of God's Word.
3. Be able to minister to other people with confidence.

There are many benefits to achieving these goals. Discovering your purpose, walking in greater blessing & prosperity, receiving healing in your body and soul, are just a few of the benefits. The courses and requirements of this school are designed to empower you to accomplish more with God than you ever thought imaginable.

Matthew 28:18 And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. 19 Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.

Rochester Bible Institute has been founded with the great commission as its purpose: to make disciples of Jesus that will go make more disciples of Jesus.

MEET THE PASTORS

Jeremiah and Julia Thomas graduated from River Bible Institute in Tampa, FL in 2010 and 2013 respectively. They met at the church where they attended Bible school and were married in 2013. Just over a year after getting married they planted The River at Rochester Church (River Church) in 2014 with a vision to see the New York State impacted with the gospel of Jesus Christ.

Jeremiah having grown up in church was profoundly impacted by the presence of God when he was 13 years old. Since then his hunger for God and desire to see God to touch more lives like his was, has only increased. This burden to see more lives impacted by God and His Word is what caused Jeremiah to

enter into full-time ministry with his wife Julia and start a church, Bible school, and whatever else God leads them to do.

Julia attended a Christian conference and heard the gospel preached for the first time in 2010 and was gloriously saved by Jesus. Her whole life flipped around, leaving her old life behind she became a disciple of Jesus. Shortly after this encounter with Jesus she felt the call to ministry and left everything she knew behind to go to Bible school and pursue God's plan for her life. Her life went through a radical transformation and within 5

years of being saved she graduated from Bible school, was married, and entered full time ministry.

To help accelerate the vision of seeing God move in this state and beyond, a generation of believers that are trained in the Word of God and the move of His Spirit is being created. There is no telling what God can do with your life if you will just surrender completely to Him!

STUDY PROGRAM

The study program of Rochester Bible Institute consists of three years.

Year 1 & 2 is designed to awaken a desire for more of God. It is for those who hunger after a deeper knowledge of the Word of God, and after a deeper knowledge of God Himself. This knowledge is not only based on theory but it's about practically experiencing the presence of God and about the fulfillment of the work that God wants to do in each student. The lives of the students will be grounded in the Word of God and a deep foundation will be laid for years to come. These years are crucial, even if you have known the Lord for many years. It is truly a time of transformation of the student's heart and their Christian walk. Each student will be required to be involved in their home church's helps ministry as well as participate in soul winning and outreach events at River Church.

Year 3 is a part time internship within the ministry. It is a hands-on program in which you will be doing work in the ministry. The character of the student will be further developed and he/she shall learn to preach the Word of God. This is an opportunity for the student to take what they have learned in the 1st and 2nd year, and to practically apply it. This year is focused on developing leadership and the practical aspects of ministry.

Requirements:

Bible School is for every believer who wants to grow in the plan of God for their lives, and we believe that this should be accessible to everyone. RBI does not have high requirements in which to enroll into the school, but we do believe in dedication and perseverance. RBI is not a accredited, but is a training year in which the student sets aside the year for devotion to God, and to be equipped. We believe that with this attitude an atmosphere is created in which God can work, and because of that there will be a great transformation in the life of the student. The student does not have to have pre-education or a certain level of knowledge.

Students must be at least 16 years old. If they are under 18 then they need written permission from their parents or guardian.

These are the further requirements for enrollment:

- The student needs to fill out the application form.

Under certain circumstances students can miss 1 evening per quarter without receiving a reduction of their GPA, there must be prior approval of this absence. (For prior approval an email explanation must be sent to rochesterbibleinstitute@gmail.com at least 24 hours in advance)

This is the grading system:

Students that are not in their seat when the class starts will be marked tardy.

3 tardies make up one absence.

Students that are not in their seat within the first 5 minutes of class will be marked absent.

1 absence: 5% deduction of the final grade

2-3 absences: 10% deduction of the final grade

4+ absences: 20% deduction of the final grade, and they will have a meeting with the dean. (Absences are counted per quarter)

Requirements for Activities

Outside the time of the lessons there are different activities that the student is required to attend, and they fall within the lesson materials. These are crucial for the development of the student, for his/her character, to apply in a practical way what they have been learning in class. Other requirements for activities are as follows:

- Faithfully attend Sunday mornings at your own church.
- Serve in helps ministry on Sundays or Wednesdays.

Make-Up Exams

If the student misses a midterm or final, he or she needs to take the test within 3 days of the original date.

If the student missed a midterm or final and does not have a valid reason then there is a fee of \$10 per test in order to take them.

If the student missed an exam for a valid reason (RBI will determine the validity of a reason) then it does not count as a make-up exam.

If a student misses tests in multiple quarters within the same school year then it will affect his or her final grade.
